Corresponding author: Dorairaj Prabhakaran ([dprabhakaran@ccdcindia.org](mailto:dprabhakaran@ccdcindia.org))

This article details a correction to the article: Prabhakaran D, Perel P, Roy A, Singh K, Raspail L, Faria-Neto JR, et al. Management of Cardiovascular Disease Patients With Confirmed or Suspected COVID-19 in Limited Resource Settings. *Global Heart*. 2020; 15(1): 44. DOI: <http://doi.org/10.5334/gh.823>

## Correction

After the publication of 'Management of Cardiovascular Disease Patients With Confirmed or Suspected COVID-19 in Limited Resource Settings.' [1], the editors informed the publisher that two of the co-authors, Fausto J. Pinto and David A. Wood, had been accidentally left off the author list. The author list has been corrected here to show the full list of authors.

## Competing Interests

The authors have no competing interests to declare.
