

SCIENTIFIC PERSONAL PROGRAM

Dear Professor Fausto Pinto

On behalf of CardioAlex Board and Scientific Committee, we have the pleasure to celebrate with us

The 20th round of CardioAlex 2021

The Conference will be held in the conference halls of BIBLIOTHECA ALEXANDRINA, from the 1st of June to the 4th of June 2021 and will be transformed into a unique hybrid experience like no other.

**The program this year is unique, innovative very progressive, where all types of sessions will be available from from comprehensive spotlight sessions, controversies, debates, lectures, competitive recorded abstracts and JCA presentations, to specialized sessions for technicians and nurses, also this year we prepared more than local overseas live transmission sessions, ICR live in a box, which won't like to miss any of them.

The following is your detailed scientific personal program during the conference
